

REMARKS:

The Applicant respectfully submits herewith amended claims as set out above.

The Applicant elects the invention of Group I, Claims 1 – 18, without traverse.

The Examiner also required that, should Group I be elected, the Applicant should elect the species of either Claim 4 or Claim 5. In response the Applicant has amended the claims as set out above to make Claim 5 dependent on Claim 4 instead of Claim 1. The Applicant respectfully submits that there is no need to elect a species with the claims as amended (ie, in essence the Applicant has elected claim 4).

It is respectfully requested that the claims, as amended herein, be examined and allowed.

Respectfully submitted,

Peter R. Chang et al.
